## ELBERT COUNTY PRE-DISASTER MITIGATION PLAN UPDATE

Since late 2005, natural hazard events have resulted in at least \$180,000 in property damage in Elbert County.\*

On Wednesday, June 22, 2011, the first of two public hearings will be held for the Elbert County Pre-Disaster Mitigation Plan Update. This hearing will be facilitated by Northeast Georgia Regional Commission (NEGRC) staff.

### Agenda

- Overview of the hazard mitigation planning process
- Natural hazards that may occur in Elbert County
- Critical community facilities

The public will have an opportunity to submit feedback at the public hearing and for one week following the meeting through an online questionnaire. This feedback will be used to guide the development of mitigation strategies that address identified natural hazards.
